“ To the family of Walter Johnson, My Condolences to the children ,grandchildren's and great grands. Rest assure my Brother and your Father is at peace , he was a fun, silly, giving person. who loved from a distance. But would always talk trash and at the end tell you that he loved you. When I last talked to Walter he said that you know I have my own Nurse with me 24hours and I said really that's good then she could watch you and make sure you're doing what you suppose to and he said yea Rogi that's my nurse want let me do anything and I said good I'm glad. We loved you Walter now take your eternal rest with the Lord.

Hello my name is Ida Baker my husband Levi Baker worked with Walter many years. Walter taught other of us a lot about the job. He knew a lot about the company. We became good friends. I last talked to him on my birthday Jan.19. He called told me happy and was I and family ok, because he knew that I was sick. and then we always told we other we loved each other. I am very very sorry for your loss and praying for you all. Mrs. Ida as Walter always called me.
