“ To the family I am so sorry to here about Mr Walter. He volunteered at the hospital, the short time I knew him he felt like family, he was missed after he left us. He had a sweet spirit, then I found out he was family. God has another beautiful flower in his garden.

“ *To the Family,*

Walter was dear to me. His labor here has ended as this present world is not our home. In his prayers for me he thanked God and said that I was a loyal friend. I felt the same about him so I now say, "farewell my loyal friend. I trust to see you again in the resurrection with our Lord and Savior, Jesus the Christ".
