“ *Walter was a dear friend and co-worker. You could hear him singing most days throughout the warehouse. He preached daily to all of us. "God is in control". His daughter, Tanya, was his heart and Walter spoke of her often. When asked...How you doing today, Walter? He would tell us..."I feel so good, I could stick my thumb in the ground and turn the whole world upside down!"*

That's how we will remember him.
