“ Warren always brought joy and laughter to all that was in his company. Warren welcome all, he loved to entertain and always made sure at any event your hands was never empty, he made sure that a drink, or food was in your hands. Warren always stayed busy with a smile. Today I was listening to the 90s R&B and hip hop. I tell you Alex’s played 5 songs back to back, like I got five on it and sipping on Gin and juice, which brought me wonderful memories as I smiled Reminiscing all our great fun times. Warren you will be missed. Absent from the earth is present with the Lord. Heaven is gaining a great Angel. My condolences and prayers are with family and friends.
