“ Richard, Delores, Patricia and Donna, deepest condolences to you and your families from Carol, Paul and Tony and our extended families in St. Thomas, as well as Atlanta. We too, feel like we have lost a brother.

Warren. Butch. We called him Butch; after all, Warren sounded so old and formal, and we didn't know him like that. Appearing one day at our mom's, his Aunt Sis' house in Bournefield! No questions asked, we welcomed him into our home. Those were the days, as the local elders would say " it takes a village." He became our other brother. What mischievous activities he, Paul and Tony would conjure up; kept my mom on her toes!

As Butch rests now in eternal peace, know that we loved that bright-eyed, curious young boy and will love and remember him forever.

*Carol, Paul, Anthony and Our Extended Families*
