*To the family I just met him recently as I just came here, but he was a nice person, and nice to my neice and he adored Morgan, we made some homemade pop tarts, and she made her dad the biggest and put sprinkles on it. Rest easy Wayne, and watch over us ,as we watch over Morgan.*

*I have the most beautiful memories of Wayne that I will continue to treasure for the remainder of my days. I have never forgotten all that he was all that he meant to me and my family. I am sad that I was not able to know more of him in this phase of his life but the kind words spoken of him during the services let's me know that he was still that wonderful, caring, loving, smart and playful gentleman that he had always been. I pray he rest in the arms of God and my condolences to his entire family. He will be missed.*

*A year ago (9/23), I retired and the last person that I talked to ... Wayne. We have known each other 31 years, from my first day at Fedex. Always that silly smile, another project in the works. He always talked about his daughter Morgan and how much he would spoil her. Rest In Heaven good soldier. Until we meet again, love you like a brother.*

*I'm a childhood friend of Wayne. I've been knowing him for at least 46 yrs years. We grew up together in Memphis in Lemoyne Gardens. Wayne was such a nice person. I would always borrow his record albums. He has such a pretty smile. When my brother told me Wayne had passed I couldn't believe it. He says he had just talked to Wayne 2 weeks before. Wayne I'm glad I got chance to see your face in your celebration of life video. It's been 46 yrs since I seen your face. Continue to rest in peace my friend. Barbara Williams Dunbar. Houston Tx*

“ I was Wayne's neighbor for 7 years until 2021. My last memory of Wayne was about a month ago when he generously mowed the yard of his former house because he saw the the lawn was neglected. RIP my Brother.
