“ *Officer Williams and I were co-workers. Since his retirement, we would talk about our adventures while on the Police force. Later we met again as co-workers in the private sector and continued our conversations about life and living. Wayne, I had planned to call you back and you're gone forever. You are missed. Rest In Peace my brother in Blue. God continue to bless him.*

To the family of Wayne Williams:

I met Mr. Williams at Atlanta Technical College and he immediately became a friend of mine. He was caring and considerate, and I always enjoyed our conversations. He always had a beautiful smile on his face and he enjoyed being around people— both the students and staff. He will be truly missed. May his memory be a blessing to all of you.
