I just found out today in Nov., now I see why my texts and calls had not been returned. My friend is now with us in spirit and cannot communicate on this realm. May this candle bring solace to his family and keep his light with the world forever.

“ *Buddy, I miss and love you forever. I am grateful for you and the great advise you always provided to me, your brotherhood meant the world to and me and the boys - we will miss you forever and ever. I am so proud of who you are, as you have inspired our youth and did only greatness for the communities you have served. May your beautiful families hearts stay open and be lifted with smiles for being blessed with the most amazing man on the planet. That smile and your amazing spirit is life for ever. xo-Sone*

“ I could not believe this when Alvin told me. Wendell was one of the coolest brothers you could ever want to meet. Smart, dynamic, welcoming. From the time I first met him although we did not hang out all the time, every time we saw each other it was like we've been boys forever. So sorry to learn about this. Praying for Yolanda and the family. Please reach out if you need anything. God Bless
