“ *Its been three years since my best friend passed away. I still miss Wesley like he was still here. I remember how each day I would go to lunch, he would sit at the table with me and my other friends. He would always make us laugh!!! I will NEVER forget someone who was always loving, caring, respectful, and just a gentleman. R.I.P. to my friend Wesley Leo Schmeling!!!*

“ Dear Mo, Tim and Sean, We can't stop thinking about Wesley and the beautiful tribute you gave to him on Saturday. The funeral was so heartfelt and filled with so much love for you all and Wesley. I wanted so badly to stand up and express my memories and love for him but was crying so hard that I couldn't move. I wanted to say most of all how respectful Wesley and Sean both are. Their manners draw you to both of them. There wasn't a single time that Wesley didn't give me a smile or a big wave every time that I came out of my front door. There were times when I drove in and Wesley would see that I had a car load of groceries. He'd yell out, Need some help? I would always say that I had it. I would then go in and start putting away a couple of bags. When I would go back outside to get the rest, all the bags were piled neatly on my front porch. I'd tell him he didn't have to do that and to help his Mom. He would always say, Mom's got me and Tim. You don't have anybody Charlene You did a good job with him Mo and should be very proud. He was ALWAYS a pleasure to be around and you know how much I loved him. I will carry that sweet face in my heart forever and I know that Tonya will, too. I want you to know that I'm here if you want to chat, have lunch or just be sad because you're missing your precious boy. My heart aches for you. We love you all, Charlene & Tonya

“ To the Schmeling family, I would like to send my deepest sympathy to you. Wesley was a classmate of mine at Northeast High. He was a very kind person, always asking me if I was alright if I seemed to be quiet. I will miss Wesley very much and just wanted you to know he was a friend of mine. My prayers are with you during this difficult time.
