“ Dear Hudson Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ RIP Tyrone...we will miss your smile, sweet spirit and crazy personality. So thankful for the time shared during our travels and so blessed to have had both you and Sabrina as our friends. I will never forget our trips to Panama City, Myrtle Beach and to the mountains. We shared so much fun and great times. I will forever remember the love and affection you two shared for one another. My husband and I was happy to have seen you not long ago refereeing our sons game. Never thought it would be the last time. Until we meet again... rest easy. With love, Troy, Tonya and TJ Barmore
