“ *We have lost another christian soldier here in earth, but not in our heart because he served his purpose well. Those who are asleep will awaken on the day the Lord comes for us all. After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on through us. Only God can know what you are feeling in your heart now, and only He can restore your spirit.. I am praying for you to get through this time with the peace that comes from the knowledge that God loves you and that He will take care of you.*

“ I met Mr. Jacobs in August 2018 when I started at Global Equipment. He was so nice and very good at his job. He trained me too. From then on I saw him everyday at lunch. We always said hi to eachother. I have never met such a kind and genuine person as Mr. Jacobs. He is greatly missed by his work family.

“ Dear Jacobs Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous”. May you have peace as you think about this beautiful hope for the future.
