My condolences to Merida and the entire family. I had the privilege to meet him and work with him in Prince of Peace church. He was a true man of God and I know he touched many lives. He is remembered by many. May God bring peace to the entire family at this time. Vivian & Ricardo Irizarry

“ *It is with a deep heart felt emotion that goes out to the family in which I offer my condolences. I am and so moved at this time, to see so many, so young with so much potential to leave in a memory. I lieu of flowers to the departed, I would like to offer a no-cost insurance policy for those whom care to receive it. 201-702-1418 bless you*

“ *What a great example of a father he was. A great mentor and God fearing man.*

Until we meet again pops.

“ My condolences to Sister Nerida and the Perez Family. I have fond memories of brother Wilfredo. He was my Sunday school teacher for many years when I was a teen. I remember really enjoying his class and how he was diligent in preparing the lesson every week without fail. I also remember that he was a volunteer bus driver at Prince Of Peace church. I remember him dropping us off after church for missionettes in Far Rockaway. He taught me about Gods grace, mercy and forgiveness. He was a bright light and will not be forgotten. -Zully (Velez) Salazar.

“ What I remember about y'all father was he was what you would want your father to be or for you to be like raising a family your father was really the only example besides my grandfather of what a father was and I remember him being one of the biggest men I knew growing up and being a little kid always thinking he was a wrestler and y'all kept that secret from me lol I remember him and Peter being the reason I liked Kung fu movies I'm glad to have known him he in may not know it but he definitely is the blueprint of what a father should be

“ It's been a while since I've seen you and I didn't really talk to you much on the phone. It never meant that I didn't love you. I wish I could have seen you one last time and even got to talk to you when I called. I hope wherever you are you are home and with Titi A in paradise. Love you and miss you till we meet again❤️

“Dad was an example of what a good husband is supposed to be & what a dad should be. We may not have had much material things but that didn't matter. Mom & him took great care of all of us. Not just the 6 biological kids but all the kids that came to our home.
