“ Gale will truly be missed! We talked a lot about how we raised our kids so much alike and we both have the same type car! As a matter of fact, in December she was trying to persuade me to get another car because she had bought another one! We shared lots of talks about life and Gale was always so spiritual about it! She loved God and every conversation, before we parted she said something about God. I will certainly miss my friend. She was very encouraging with everyone and at the drop of a hat she was on the move! So much energy!! Be at rest and peace, my dear friend. Until we meet again. Love you!

“ *Gale, such a friendly warm person. I had not seen you since high school but it was a pleasure to connect with you and Ed on Facebook last year. We talked about getting together. We should have. This is so hard for me but I know it's even harder on your family. I pray that God wraps them in his loving arms and give them the Peace that is needed during this difficult time. Rest, my dear friend, rest.*

“ Auntie Gale, we are so sad to see you go! Over the years, you blessed us with your presence and we are blessed to have known you. There are so many beautiful memories that I have, but it makes me smile to think of you nick-naming my daughter Khloe "Willie Gale" when we couldn't think of a name for her. It's a big name to live up to and I'm thankful for you being a sister, friend and mom to my family. To the Gaines family, there are no words to express our sorrow, but please know that we are here for you and we love you! May God bless you during this difficult time and remember that nothing shall separate us from the love of Christ! (Rom 8:35-39).

“ Gale, This has been so hard for me but I know you are resting in God's arms. I think of all the memories we shared as blood sisters but as Sisters-in-Christ also. You were "a free spirit" that always kept me guessing what you were doing and where you were headed. But wherever you were, I could rest assured you were either serving others or having fun. I will miss your phone calls, bible discussions, ladies days and so many other things we did together. You brought so much laughter and joy to my life. I am still laughing about that early morning phone call in October, where you were calling me from the airport preparing to go to San Francisco with just a few minutes notice. I know that you are at peace! I will continue to cherish all my memories of you in my heart. I love you and miss you!

We will always cherish our memories of Gale. She was a like a daughter to our mother, Tammer Nixon. We could always know that mother Tammer was in good, loving hands with Gale. We all will truly miss her. Our love and prayers are humbly submitted for Ed and the Gaines family. We love you all. We are here for you.

“ Gale was just out here in California visiting with us a few months ago and graced us with her love joy and spirit. We had a lot of fun together when she was here laughing and talking about everything. We know this is a very hard time for all of Gale's loved ones, and we send our deepest sympathy, but we want all of you to know this is no time to hang your heads in sorrow, but rejoice in knowing she is with her maker now and is at peace with her soul.

Gale was a wonderful person and she would want all of you to go forward from here not in sadness but in strength and do all those things that would make her proud of you. Gale's spirit and love will always be with all who knew and loved her.

She is with God and the holy spirit now so rejoice and be not sad, although it's hard, feel comfort in that you were able to spend time with such a spiritual and kind person because our time on this earth is short, and we will all one day have to meet our maker. For God is the power the glory and the holy spirit and Gale knew this very well. May God bless all of you who are reading this message and peace be with all of you.

“ I knew Gale from Albany, Ga. We lived on River Road next to DAV My Family the Coley's/Henry's/Lane. The Davenport lived on Jackson Street. We knew William/Gale/Dynita all were older than me. Gale was always so sweet, shy, loving and kind with her glasses and beautiful smile. I saw her April 22 2015 after our Mother had surgery at Emory and was assigned a room. It had been over 30 yr, but I knew who she was sitting behind the Nurse station. I will never forget her beautiful smile. Mrs Judy Henry Jordan.
