Sometimes, it is best to be still and let God place in my heart the words that need to be said during this most sorrowful time. My sister in Christ I am will always hold you in my heart and praying to God to give you peace, comfort, and strength during this season to say farewell to your husband. My heart-felt condolence and deepest sympathy.

“ We went through a lot before you came into our lives. You showed us that there is some good out here in the world that we live in. Every morning before we left out for school, you told to be the best we can be. We had so many memories with you growing up and it's sad seeing you go. I will continue to be the best I can be and live up to your wishes. Fly High Bill.
