Beloved son William Angelo Green was born on November 11, 2004 in Philadelphia Pa. to William & Arnette Green he departed this life on October 16, 2025.

He was affectionately called "Angelo" by his family. He was educated in Philadelphia

Archdiocese school system until August 2017 when the family moved to Lawrenceville Ga. He continued his education in the Georgia school system and went on to the Georgia Youth Challenge where he served as Platoon Sargent & Captain. He mentored & encouraged his classmates and formed lasting friendships and completed his studies to graduate.

Angelo loved basketball, boxing and playing video games, some of his happiest moments were simple ones. Spending time talking to his sister & confidant Veronica, helping his sister Shanelle when he visited her in Philadelphia & joking around with older brother Lamont & helping around the house. Some of Angelo's happiest moments were enjoying his mom's home cooked meals. Hot wings were some of his favorite foods to eat with fries. He loved movie nights with the family & spending time with people he loved most, his laughter and kindness will be remembered always. A trait he inherited from his parents was his compassionate spirit and awareness for those in need of a friend, and a shoulder to lean on. He grew up with his nephews Zhyair, Caleem and niece Carli like they were siblings.

One fond memory his mother will cherish is his random hugs & "I love you". Angelo loved attending his father's wheelchair games & traveling with him to North Carolina as he proudly cheered & supported from the side lines. He was inspired by his father so much he aspired to join the Air Force determined to follow in his father's military footsteps.
