“ Over 20 years ago I met this giant gentle soul by the name of Mr. William Reid. I had the pleasure of being his bus aide for several years with Dekalb County Schools. It was always smiles and laughter between me and him. Even after his retirement from the transportation department we continued to remain close in contact talking once to several times a day. Mr. William Reid. was more than a co-worker/friend he became father figure for me. When I do wrong he definitely was there to fuss at me. When I did something good he made sure to let me know he was proud to be my father (that's what he referred to himself as to me...smile). But I just wanted to say condolences to his sons and family. Mr. Reid you will truly be missed by all who you have touched their with your giant gentle heart, Forever in my heart

♥ I love you ♥
