Words cannot express the deep sadness that I feel at this moment. Bill was a wonderful man that love his family and kids with everything in him. He then shared that love with our young men to help them be the best they could be. You will truly be missed and I will be praying for you family. Love you my friend.

“ *Although I had not seen Billy (Mr. Tim's) since he was an adolescent, I can tell his family that I was very close to his Mom . We were neighbors and we worked together. She was perhaps one of the kindest and most articulate educators I knew. At that time time I was younger so she was so spiritual and good and guided us where we needed to go. A wonderful person and we missed her.*

“ The Tims family became an important part of our lives when we moved to Rome, New York when I was a teenager and joined Mt. Calvary Baptist Church where Bill's father was the pastor. His mom was my Sunday School teacher. His older brother and I were put on the church payroll--me to play guitar and Jim to play the organ. (I've never forgotten that early encouragement). We worshiped together, shared meals and each others homes and generally were part of the same community. We mourned as he lost his mom and then his father at a young age. We prayed and tried like the entire Rome community to comfort him and keep him on the right path as he struggled. We rejoiced when he found himself. We marveled as he became a leader, a role model and an inspiration. And now, too soon, we have to accept the fact of his passing. There is a great hymn of the church which promises that we'll "understand it better by and by" I sure hope that's true because I certainly have questions. To the family: stay strong and be encouraged that Bill touched many lives and will be remembered for the great man he became. Our prayers are with you and we share in your sadness.

“ Today i lost my boy..my brother..and best friend. William "Bill" Timms. Since 1980 we've always had a bond and friendship no one could touch. Sometimes the road was rocky, but always the brotherly love was there. Not only with me but from all of our Rome/Utica friends and family. We'll always have the "burn" sessions (he could burn on anyone at the drop of a dime), the "rap" sessions (MC Mello B) with the hit "Jazmine", and all in all a genuine good man. This hurts alot but i know hes with God now and hes at peace. I love you brother Bill and you'll always be in our heart. RIP my brother.

“ To the Tims family,

We would like to express our sincere condolence over the passing of Mr. Bill. The girls are extremely heart broken. His attention to making sure everyone including them were happy and always taken care of will truly be missed. Mr. Bill was the example of it takes a village to raise kids and for that I will always be appreciative. RIP William until we meet again.

“ *Family,*

I am very saddened for your loss. You are in my continuous prayers and I ask God to keep you, and wrap his arms around you each day.

I cannot pin point the exact date, time or year that Bill and I met. I have known the family since my family moved to the Rome area. I will tell you that when we met, we clicked, and had so much in common. He was funny, kind, uplifting and always encouraging everyone. That smile was contagious and he always made you feel good being in his presence. His spirit was beautiful as was he. He was one of the kindest people I have ever known and I will miss him, our friendship and listening to the love, joy and proudest he had for his children.

My words cannot express the love I have for this man. I miss him! Two weeks ago, we discussed catching up in 2021 because he had planned to visit a cousin in Albany, NY. Bill and I laughed at our love for Michael Kors and promised to exchange a MK gifts at that time of his visit. Sleep in Peace with the Angels.

“ I will never forget all of the great times we had working together and hanging out as friends. I watched Bill turn into an awesome dad, husband, and mentor to young people. Despite all of the pain, he never stopped sharing himself with everyone. He was such a proud father and husband. I am so glad that GOD gave me the opportunity to share the space and time with him here on earth. Rest In Heaven Brother. Peace & Blessings
