“ *My prayers and condolences are with Bill's family. I had the pleasure of working in the office of Medical Measurements that was in the building of his insurance company on Rainbow Drive for several years. It was always a delight to see him at his desk at the very front corner entrance always looking and conducting himself very professionally, while smiling with a cheerful greeting as we enter and left. We shared many great times at lunch and/or after work sharing laughter while unwinding at the Red Lobster. He was a great inspiration, and a gentle kind compassionate spirited man who showed love to anyone. His presence will surely be missed by everyone who met him.*

“ My dear neighbor and friend Mr. Bill will be definitely missed; I have been one of his close neighbor for more than 30 years, he watched my children and the grandchildren grow into adults, and knew them all by name . Often gave them all good sound advice . I thank God for allowing us to cross paths and become friends as well as good neighbors . My prayers will continued for the wife Mrs Sylvia and family. Be Encouraged to stay Encouraged, taking one day at a time Trusting God to lead and guide you through the way. 🙏👉Ira
