“ I am truly sorry that we can't be there in person. We are watching the live stream. I have many memories of June over the 40 plus years he was in my life. One of the biggest is he always wanted a peanut butter and jelly sandwich right after i came by the house on my way to college and Cynthia had given me all the peanut butter in the house. He will be truly missed... I am praying that God be with my sister and nieces as they go through these tough times. Stay strong Cynthia, Ashley and Ambler. We love you... Kelvin and Kate Sims
