“ *Grieving is a necessary function of living and loving. Recalling the last time we were together celebrating the life of our beloved Angie. May God hold us tight through these challenging moments.* ”

“ *You just never know the impact you have on your fam & folks lives. Recently, my cousin, Dione shared that my Aunt Willie Ann would have the biggest smile when I would call to check on her. While I should be comforting the immediate family, I was being comforted by her sharing fond memories of family being family and showing love and compassion to one another. May my Aunt Willie Ann remain in Peace and may our family, especially Dione and Ashleigh be comforted by this fact. God remain with us.* ”
