“ To Gloria, Jason, Joy & Family,
Words cannot even express our profound sorrow with the passing of a servant of God in Bergen County for the City of Hackensack, New Jersey for over fifty years where he touched so many lives. We pray that God will give you strength & comfort and know that your love one has found release. Yes, all earthly troubles, grief & cares have been replaced by Heaven's Perfect Peace.
Now your love one knows the "Joy" of meeting Jesus face-to-face as he is in the Loving & Graceful Arms of our God of Hope. He is smiling with the Angels. God will take your hands & walk with you through this most difficult time. May you forever cherish his wonderful life & legacy.

*May God's Love Sustain You, His Power & Faith Renew You,
We Love You,
