Dear Willie, I have missed you so much since retirement. We haven't messaged for a while and I have missed that, too. You lived a wonderful life and loved Carol, your children, and family more than anything and I repected you so much for the man you were. You were also a very accomplished Georgia State Criminal Investigator for P.O.S.T. Council. It was an honor to work as an Investigator along side of you. Being your friend was a privilege. We did have fun and I don't know if I've ever laughed harder than I have at with you! I don't know of anyone that could call you friend that didn't respect and love you. I will miss you and love you my friend always. Nora

“ Willie is one of my dearest brothers. I first met Evans in the early 70's in south Miami, Florida. We both served in the US Army. We served in the Florida Air Defense, Germany, and Hunter Army Airbase, GA. Willie family and my family shared many meals together. He is what I considered family. One thing you can count on is that Willie was a family man, who cared for his wife, children, grandchildren, and strangers. I don't think Willie ever met someone that he would not embrace. He was a very gracious, honest, and always willing to help others. His brotherly love will be missed. I will miss you Brother. Godspeed!

“ Uncle Evans was one of the patriarchs of our family. He made a positive impact on everyone he met, especially his family. I remember him always being there, and he always shared a comical story with us. Whenever he was around, he would always find a way to inspire laughter, that had a domino effect with everyone around him.

He taught us the importance of integrity in which he exemplified. He was the epitome of a loving, caring, inspiring Uncle . Thank you Aunt Bonnie, Din-yero., Rashan, Liguaya, Xavier, Brandon, grands and great grand , for sharing him with all of us.

I have nothing but great memories of my dear Uncle Evans and will miss him dearly!
