“ *I first met Uncle Bill when I went to New York to meet my Wife's Family and he had been in an Accident in Philadelphia and he was more worried about everyone else instead of himself.*

In 1999, he came to our Home in Chicago and he was such an easy person he got it where he fit in. He had people in my community asking for him a good month after he went home. That's how great of a Man he was and our love for him will last everlasting he was a Father to us and with his steady firm hand Demeanor figure of speech will indeed be missed.

Uncle Bill thank you for your presence in my life and thank you for guiding us with your love candor laughter and influence.

Absent with the body present with the Lord.... Your Nephew Jerome.

“ To my beloved Uncle,

Words cannot express the sense of loss I feel that you are not with us anymore. But God has blessed me with an uncle who I thought of as "my father" my entire life. I will take you with me in my heart until we meet again.

You have been such a big part of my life and an inspiration to me. Whenever I came home to NY it was never an option for me not to see you. Your laughter and sense of humour and the life experiences you shared with me were priceless. You have always looked out for me and been there whenever I needed help. I am so grateful that I got to spend time with you in July of 2013 when we all went out to the end of Long Island to the Lighthouse. What a wonderful day we spent together with a fantastic meal of Snapper fish you loved. I keep that memory in my heart always.

I know that Grandma was at the gate waiting with her arms out when you walked in. "Her Billy" as she called you. You are now with the family that I know you have missed so much over the years. Keep watch over Carolyn, Brenda, Carla, Bunny and Donald and your grandchildren. They will feel your presence for the rest of their lives until you see them all again.

I love you Uncle Biill and you take that with you always.....kiss Grandma for me.

Your loving niece,

Sharon

“ To my wonderful Uncle.

I will miss laughing and talking with you and how you made me smile with your funny expressions and your hardy laugh. I remember when I was young and we would all visit you when you lived in Roosevelt and how you were always playing music by Al Green. Until this day when I listen to Al Green classic music it takes me back to those days and I think of you. I will always remember how we took road trips with you and my step dad and your best friend at the time to Savannah with you in your powder blue Olds Delta 88 and my step dads 65 Coupe de ville. Those were some of the best times of my childhood. I know you are with Grandma, Aunt Willie , Aunt Minnie, Uncle Mac and all of the others that have gone on having a family reunion up in heaven. I will always continue to cherish the memories and will always miss and love you. Say hi to Grandma for me as we have missed and think about her everyday.

I love you always.
