“ *Daddy, even in your afterlife you are still my ROCK!!!! I miss you so much Daddy. Couldn't believe I watched you take your last breath 11/13/2017, but I'm now thankful that I did knowing that God placed you in the comfort of your loved ones in order for you to make your transition. I will never forget the look in your eyes when you told me you loved me. I was so busy trying to calm you down instead of saying I Loved You Back, but I just wanted you to relax so we could get your breathing together. God knows, and you know I Loved You Unconditionally. No one can nor will ever take your place. I Miss You So Much Daddy. Unitl we meet again, sleep peacefully and wait on me.*
