“ I've been working with Mr. Harris for almost 7 years at Georgia Tech. We laughed together, shared lunch, and even prayed together. He was a team player her at Groome Transportation and was always willing to help when he could. I still can't believe he's gone. My sincerest condolences to Mrs. Harris and family. I pray God continues to strengthen and comfort your hearts and that you'd feel the warmth of His embrace. "Precious in the sight of the Lord is the death of His saints" (Ps.116:15). RIP Mr. Harris.

“ *Mr. Harris was a very quiet man. He was always in good spirits and never complained about his health. When we, at Groome, would ask him how he was doing, he would always say he was doing good.*

*He will be sorely missed.*

“ *There are no words to express the sorrow in our hearts. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease to be replaced with joy, because the former things have passed away. With caring thoughts.*

*I am so sorry to hear of cousin Willie Bob leaving us. Sending my deepest sympathy and condolences to you all. He use to tell me everytime he would see me that I look just like my mother "Retha Lee". He reminded me so much of my uncle Buddy with his distinctive look and those sharp clothes. I will always remember him with that smile on his face. Family I pray that God strengthen you all during this time of sorrow. With Love, The Hales Family*
