“ My man Donald Hay. Always a sharp dresser. One of the best "Hustlers" on the dance floor. I am glad that I always said to you how I felt about you. Anne Frank wrote "Dead people receive more flowers than the living ones because regret is stronger than gratitude.". No regrets here my friend.

“ Remembering the family and heartfelt prayer. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Thinking of you are.
