“ I have so many great memories of Pearl, from our time at New England Telephone, to AT&T in DC and since then. We could always make each other laugh, especially later in life when reminiscing about our escapades and the friends that we shared. I knew that I could count on her to help me through tough times and I hope that she felt the same about me. A True Friend. Our deepest condolences to Ed, Meredith, Sam and the rest of her family and friends.
