“ My sincere condolences to the family . Especially to Tonia and Steve . I met Willie in 1971 when he came to North Carolina for my grandfather's funeral. I was just young country boy and was really impressed by how well dressed and " cool " he was. First time I had ever seen anyone use " magic shave ". He teased me when I said I was going to " tote " a bucket of water. Correcting me saying " carry" . Also when we called the trunk of the car " the boot". That was the only time I ever saw him but as you can tell it left an impression that even now makes me smile. Hopefully everyone who knew him will keep those memories through their grief.
