“ I've know Willie since first grade when we were both bussed to Manchester Greene in Manchester Ct.. We made it thru Hartford High and then college. Willie at More House and me, Shirley Williams and Gerald Lewis at FAMU. We all knew we would be successful in life. There was no other options. Even though we all ended up in separate states or towns, we would give each other hello waves and send happy birthday wishes on facebook. He always kept it real. He was an old school, Good Black Man. It saddens me to hear of your passing. You will be missed brother. Gone to Soon....

Willie was a co-worker of mine and in a very short time became a true friend. You will be truly missed. Things just haven't been the same around the department since you've been gone. Sleep well Willie you have earned your rest. I can see you now, the coolest brother in heaven...lol. Gone but NEVER forgotten!

To the Poole family, I would like to extend my sincere condolences. I pray that the peace that surpasses all understanding will be with you during this difficult time.
