“ My condolences in the death of your dear loved one. When death claims our loved ones, it is so hard to accept. Our loving God Jehovah understands the deep emotional pain death causes us, so he offers comfort through his word the Bible. Psalm 34:18 says: Jehovah is close to the brokenhearted; He saves those who are crushed in spirit. Also Hosea 13:14 says: From the power of the grave I (God) will redeem them; From death I will recover them. May these promises from God provide you comfort now and in the days ahead.

“ It was such a shock to hear of Willie's passing when I got to work this morning. Although I did not see Willie much, when I did, he always had a smile on his face and always a warm and welcoming personality. I know that everyone that was touched my Willie here at Trojan Battery Company will miss him greatly. He was a dedicated and committed friend and employee. I pray that God will wrap each of you in his comforting arms during this difficult time of bereavement.

“ I know the Ross family has saddened hearts because of losing "Flash" . So I wanted to share this beautiful scripture where our heavenly father, Jehovah, (Psalms 83:18), promises us that he is going to do away with man's greatest enemy, death. Rev. 21: 4; "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. " God's kingdom that Jesus taught us to pray for at Matt. 6: 9, 10 will bring about these wonderful promises, including the resurrection. For more comforting scriptures please visit: <http://bit.ly/1K38EFt>. It is my prayer this scripture will give you comfort in your grief.
