“ I was saddened to hear that Yellock passed away. Belinda, my thoughts are with you and your family. I always looked for Yellock at WSSU's homecoming. He enjoyed life and always had such a welcoming and fun spirit. I remember in October he was dancing from the wheelchair with Belinda and just taking in all that he could of the festivities. I will keep all of you lifted in prayer.

“ *Belinda and family, my heart goes out to you. I have known Yellock since 1976, he is my husband's Sam (JJ) Wiggs frat brother. I will always cherish our good times together. Homecoming at WSSU will not be the same without Yellock in the mist. We love you and you will remain in our prayers. You will forever be my sister! The Lord has your broken heart and he will carry you through. Love Sam (JJ) and Brenda Wiggs*

“ Coach Willie Yellock as I knew him; was my Softball Coach at WSSU from 1979-81. I have lost a great friend. He was a true gentleman and adored his wife, Lynn, and children. He showed much passion for Winston-Salem State University. God has gained an amazing angel. My love goes out to the family. Thank God for the memories. Rest in peace my friend.

“ Dear Yellock Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ I saw Willie at Winston Salem State University homecoming in October. I had no idea it would be my last time I would see my fellow Ram. You will truly be missed! You were dedicated to Winston Salem State alumni and you worked hard for your school. May you rest in heavenly peace until we meet again!

“ I have no words that can express my sadness. I pray that God will comfort and protect Willie's family and friends. Our friendship goes back to the 1970's at WSSU. His wisdom and knowledge helped me in my coaching career. My friend has finished his journey and will receive his reward for a great life lived.
