“ So sorry to hear. Dr Whittaker was my doctor years ago. I lost touch with her once she relocated to another office. I was going through some old paperwork and research her location and found this information of her passing in 2018.

She was such a sweet caring doctor. My condolences 🌸 to her family. 🙏.

“ I never knew how much this sweet soul impacted me until I heard of her passing. A beautiful, quietly strong spirit with a heart and passion for others and that which is right. Winnie you have put truth to the adage that "The good die young." There is surely a void left to fill with your leaving but may your light continue to shine from above with a serenity of angels and peace of God our Father and Creator. I'm honored to have known and worked with you, all too briefly in the the netball world. If I shed a few tears at the sorrowful news then there is a river flowing in Georgia with your name on it.

I'm praying the wonderful memories and legacy you have left behind will comfort family, loved ones and the saddened community.

My deepest condolences and prayers to all.
