“ I don't know where to begin. Winston was a welcoming spirit when I worked at WWY. He always greeted me with smile, had a gift for reading your spirit, and was helpful to me and my family as our financial advisor, accountant, friend, and our brother in Christ. Earth has no sorrow that heaven can't heal. Rest In Peace.

“ Dear Winston, I will always remember your generous spirit, warm and welcoming smile, your loving heart and good humor. The way in which you inspired me to be stronger as you became “tree pose” in our yoga class.
I am deeply saddened that you are gone, but I am consoled by knowing no one who is ever loved is truly gone...in my heart forever.
In loving memory and deepest sympathy to your family.

“ Oh Winston, I am really going to miss you, I already miss you. Your passing has really hurt me. I will miss seeing you at Stone Mountain Park, setting up for me in the class we took together on Friday's and mostly, the honor I took in you telling me how I look just like your mother. Winston, you have always been so respectful and you loved working out....I only wish it didn't have to end so soon. Bye Winston...I will see you in spirit at the park...

“ *"Good people" is a term often used for individuals of great character, humble, dependable and honest. Winston was "good people." (It is difficult to grasp "was" (past tense)).*

My family has depended on Winston for a very long time - as a consultant, tax preparer, and most importantly - a friend. RIP, Buddy!

Our sincerest thoughts and prayers are with you, Debra, Brent, and The Nunn Family.

My heart is so heavy and sad to hear about the passing of my CPA Winston Nunn . He was always pleasant, professional, and patient with me, knowing that every year, business taxes was the last thing in this world I ever wanted to do. “ *Winston, I watched you grow up and become a true Alpha Man. You are a great testament to the poem of R. Kipling..." If you can fill the un forgiving minute with 60 seconds worth of distant run, yours is the earth and everything that is in it, an which is more, you will be a man my son!" You ran and you filled every minute. God bless your soul and God bless your family.*

My old and dear friend Winston, it is with overwhelming sadness to learn of your transition. We go all the way back to the 9th grade (algebra 1) at Horace Mann High School in Gary IN. I will never forget all the fun we had in the many classes we took together (I am sure the teachers would not forget either, ha ha). I will always remember your quick wit,sense of humor,easy going nature,positive spirit, and intelligence (yeah we had it going on).After high school we found each other again when we both worked at the Signature Group in Schaumburg IL.It really hurts me that we lived 5 miles apart and did not know it (all 3 of my children graduated from Stephenson High School).I always enjoyed your company, These words are from my heart, it is almost impossible to meet a better man.I am certain that I speak for all our friends in high school an everybody you met and touched along the way.You will always be in my prayers. Love and respect. Larry Campbell.
