“ *Dear Leaphart family, I am so sorry to have to write this message. Words cannot express my sadness. I just heard about Xavier from my daughter Aajah. I was Xavier's school bus driver. He was amazing, even when small. I think he was in Kindergarten or 1st grade when he wanted to beat up my son who was in the 5th grade! The reason? He thought his sister was being disrespected. It was all cleared up, no fight ensued, but he had no fear. He loved his sister and was going to protect her! He was part of so many great memories driving the bus. I am deeply sorry for your loss.*

“ *I am writing you from Germany with pure sadness in my heart. I still cannot understand what happened and why these both young and strong guys had to die?*

What has happened to them?
