“ Mrs Page and I met almost 17 years ago. I was apart of the medical team that cared for her in Georgia.

When I first met her, she entered the room it was something about her. Everyone gravitated to her. I asked myself who is this women with this infectious smile???

Over the years we became buddies. She was genuine!!! A true DIVA!!! I called her VIP. That was my name for her. She would just smile and say cut it out. She was more than a patient. She was my friend.

I'm glad I had the opportunity to care for her, be at her 60th birthday celebration and able to reminisce on the many stories she shared about her family that she truly loved. She is definitely gonna be missed.

To Bruce I am so sorry. Your wife was rare. You and your family will forever be in my prayers.

“ Uncle Bruce, Scott, and Shawn,
Aunt Yovonne helped me through the hardest time in my life. Not sure what I would have done without her guidance. She always invited my family to eat for the holidays and we all know my dad was never one to say no to her cooking. I'm so thankful for the times I got to spend with you all. Aunt Yovonne was a special lady who would do anything for her family. I love you Auntie!!!... RIH....
