“ *Ms Zela was my light when my way grew dark. Her words of wisdom, her sweet voice and smile I will always treasure. We shared a love of the gospel and would often recite some of our favorite passages and prayers. A true child of God. Rest my friend. I miss you, but I know you were a gift that I could not hold onto forever. But, I will cherish your memory. My condolences and prayers for the family in his time.*

“ I never met Madam Zelda Greenfield but I became close friends with her daughter Jazel. I have the utmost love and respect for Jazel. She is one of the most authentic, loving, curious, open minded, critical thinking, supportive, and creative women I have ever met. She spoke so very highly of her mother I regret that I never met her. Jazel is ample evident of the phenomenal woman she was. May the Lord continue to make more masterpieces like these. My sincere condolences. Love, Peace and Joy, Raceal McWhorter
