“ So sorry to hear of your loss. Ms. Zepora was instrumental in my involvement in National PTA Conference and Dekalb County School System as a young parent in the late 70s & early 80s. Her smile and commitment to family and community will never be forgotten. Know that GOD is with her family always and HE will take care of you/us in all situations. Love you.

“ I am very saddened to learn of the passing of Zapora. I came to know her when both of us were U.S. Army Reserve members of the 335th Signal Command located in East Point, GA. For a period of time, including our participation in Operation Bright Star in 1987 in Egypt, she served as my detachment clerk. She was a friend and fellow soldier. Several years ago, I learned that she had been elected to the Dekalb County School Board. Zapora Roberts was a great lady who will be greatly missed. - State Representative Don Parsons

“ Family, There are no right words to say that will make this pain any easier, I am still in a state of shock, because it don't seem real, but I know that God makes no mistakes, I also know that if He bring us to it, He will bring us through it, There's nothing too hard for God, as these days and weeks go by and family and friends are few, continue to keep your Faith in God, I promise you He Will Bring You Through. Love Always, Ann, Kiara and Calvin Clemmons

I met Zepora Roberts at Southern Bell in the early 70s. I googled the internet looking for names of people that left such special memories in my heart. Zepora Roberts was a special and loving person. To God be the glory. May God continue to bless her family. 🌹
